The Pine Tree Band Boosters is a group of parents, friends and other individuals dedicated to helping band students reach their musical goals. Band Boosters help defray costs associated with summer band camp, school-related activities and meal expenses. Boosters also provide scholarships and other needs associated with performances, enabling any Pine Tree student who wishes to participate in band to do so. The Band Boosters conducts fund-raising activities throughout the year to support band students in continuing the Pine Tree Band's tradition of excellence. The Pine Tree Band Boosters is a 501(c) 3 organization.

Band Kids Forever (BKF) was formed by Pine Tree Band alumni following a band reunion in the fall of 2006.

BKF networks to reach all former Pine Tree band members to help them connect with each other, to provide scholarship funds to a graduating band member and to support the current band program. Band Kids Forever hosts the annual "Can't Stop Lovin' You" Tailgate Party at Pine Tree Homecoming to benefit a scholarship named for beloved band director Jack B. England. BKF members are pleased to partner with the Pine Tree Band Boosters to present the Jack England Memorial Golf Classic.

In 2009, Band Kids Forever became a member organization of the Pine Tree Education Foundation and Alumni Community, a 501(c) 3 organization.
